**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I do not want to be faced with price hikes that will increase the cost of my internet and home phone service. I have excellent service with my local internet provider, and have heard negative things about service with a major internet service provider used by my son and some friends. I do not want to lose what I have or the choice and chance for others to have the same.

Sincerely,

Dixie Shelley
